Hi Lauren -

I hope you are well. Responding to the Committee's inquiry is a priority for GSA and GSA is actively drafting its response. While we are doing this as quickly as possible, we appreciate the Committee's patience given GSA's necessary work with regard to the pandemic. We will send our response as soon as possible.

Best,

Kevin

The Honorable Emily W. Murphy

Dear Administrator Murphy,

Thank you for your agency's response to my letter sent on April 23, 2020 regarding reports that the Trump Organization may have requested rent relief or modification to the lease for the Old Post Office Building.

I appreciate the update that the General Services Administration (GSA) has received no written request for relief, as required by GSA guidance. As a member of the Financial Services and General Government Appropriations Subcommittee with oversight of GSA, I ask that you commit to notifying me in the event that the GSA receives such a request in the future from the Trump Organization. I continue to have concerns about the potential for undue influence should the Trump Organization make such a request and believe that GSA must be transparent to ensure fair treatment and responsible stewardship of taxpayer dollars.

Thank you again. I appreciate your attention to this matter and respectfully request a response by June 1, 2020.

Sincerely,

/s/

Chris Van Hollen
United States Senator

These provisions of the lease are public, right?

“Percentage Rent Difference”, if payable pursuant to Section 5.1(b), shall mean, for any Lease Year, the positive difference, if any, between (a) the Percentage Rent for such Lease Year, and (b) the Annual Base Rent paid for such Lease Year. Sounds good. A broader discussion will ensure that we hopefully aren't missing anything administratively.

Kathy,
FYI - Attached please find a redacted copy of the Ground Lease held between GSA & Trump Old Post Office LLC for the Old Post Office Building located at 1100 Pennsylvania Ave. Washington, DC.

The Financial Reports are controlled under the provisions of Para. 37.1 "Confidentiality" of the ground lease and for multiple reasons I'd be happy to discuss, access is more tightly controlled. For purpose of GSA's financial administration of the lease, access to the financial reports have been provided to our Budget/Finance staff members Stella Byrd, Gopal Regmi, Shakeena Queen, along with Prisca Egocheage on the Outlease side and Carole Sneed for validation of the Outlease OA, all provided under previously issued NDAs for the OPO. Stella, Gopal & Shakeena have been given access to all the financial reports to date. Prisca and Carole have been provided financial information related to rental adjustments for CPI and rent credits for reimbursement to Tenant services provided to Landlord for operation of the clock tower to process into OATool which feeds Pegasus. As you can see, these are all staff with a need to know regarding the Confidential/Protected financial reporting for purpose of administering the lease. My concern is to ensure against an inadvertent breach of the financial information and also protect anyone who doesn't have a specific need to know from scrutiny should a breach occur elsewhere.

I'll give you a call later this week to discuss in greater detail.
Best Regards,
KT

Erin,

Claudia Nadig suggested I contact you. In the attached letter, the Hill is requesting documents be preserved relating to "all investigations conducted during the 116th

Congress, including all oversight requests or demands from Congress." Does OCIA have a list of all such investigations? If so, would you please provide.

Sincerely,
Catherine

Hi Allison,

Attached are Emily's T&I QFRs, could you help us identify who from PBS should be in a senior level meeting with OGC and OCIA to determine how we will respond to these (i.e. which office will draft for each question and who has the relevant knowledge)?

Could you share by COB Monday so we could get a meeting set up next week?

Thanks,

Dear Administrator Murphy:

Thank you again for appearing before the House Subcommittee on Economic Development, Public Buildings, and Emergency Management at our January 28th hearing on "GSA Outleases and the Trump Old Post Office Hotel." Both Members and staff of the Subcommittee found your testimony compelling and insightful. We greatly appreciate your willingness to testify and provide thoughtful answers to our questions.

Attached are several questions to answer for the hearing record. The Subcommittee requests your written response to the questions no later than Friday, March 13th so that they may be included in the record.

If you have any questions, please contact Lauren Dudley of the Committee on Transportation and Infrastructure at [REDACTED] or [REDACTED]

Sincerely,

PETER A. DeFAZIO
Chair

SUBCOMMITTEE ON ECONOMIC DEVELOPMENT, PUBLIC BUILDINGS, AND EMERGENCY
MANAGEMENT HEARING
“GSA OUTLEASES AND THE TRUMP OLD POST OFFICE HOTEL”
JANUARY 28, 2020

Questions for the Record Submitted by Chair DeFazio and Subcommittee Chair Titus

Selling the Outlease:

1. If the lease for the Trump International Hotel Washington DC remains with the Trump Organization and Donald J. Trump is not re-elected as President, then the Trump Organization could potentially end up with an underperforming asset. What does GSA do when the owner of an outlease with GSA cannot meet the terms of the outlease? Is there a standard policy or contingency plan?
2. What responsibilities remain with the Trump Organization if the lease is sold?
3. Please explain how much money taxpayers will receive if the Trump International Hotel Washington DC outlease is sold for \$500 million and how the money received by GSA is calculated?
4. If the purchaser of the lease is an LLC -- how will GSA know if that's just a front for a Russian oligarch, or a terrorist organization? What specific steps would GSA take to identify *all* of the LLC owners and anyone or any entity that has any financial stake in the LLC? If it turns out a potential buyer is, in fact, tied to a foreign entity or government who is attempting to purchase the hotel lease, will GSA notify Congress about that before allowing the sale to be completed?

Security:

1. Is GSA engaging with the FBI, Department of Justice or the Secret Service in regard to the potential sale of the lease given the fact that the Trump International Hotel Washington DC is next to the Department of Justice and across the street from the FBI headquarters, since depending on the ownership of the lease it could pose a national security threat to these agencies?
2. The Department of Homeland Security has developed standards and policies for security in and protection of government-owned buildings. The Old Post Office Building seems to be particularly vulnerable from a security perspective—both as a potential target and as a platform for breaching the electronic or physical security of nearby high-security buildings such as the FBI headquarters building. Did GSA or any other Federal entity assess the security risks presented by the Old Post Office building and its outlease to the Trump Organization prior to the signing of the lease in 2013? If so, what countermeasures were identified to mitigate these risks? To what extent are these countermeasures being implemented?

3. Chapter 17 of GSA's Leasing Desk Guide lists requirements for security agency buy-ins for leased space. The Trump International Hotel Washington DC lease does not include any security requirements. Should outleases have security requirements? Especially when the buildings are in sensitive areas?
4. GSA's contract with the Trump Organization does not expressly define actions that the Trump Organization is required to take to promote the security and protection of the Old Post Office building. This seems to be an important omission. What will you do to make clear the lessee's security responsibilities both in the case of the Trump International Hotel Washington DC outlease and in future outleases that GSA executes?

Outleasing Policy:

1. Multiple layers of rules and regulations direct GSA's acquisition of goods, services and leased space. The Federal Acquisitions Regulations (FAR) is more than 1,000 pages long, GSA's Acquisitions Manual (the GSAR) is almost 500 pages long and GSA's Leasing Desk Guide – 22 chapters and eight appendices – is almost 900 pages long. Do the FAR, GSAR or the Leasing Desk Guide apply to GSA outleases? If not, what aspects of these regulations and guidance should be applied to outleases? What steps do you plan to take to establish guidance for outleases that you determine is currently lacking?
2. GSA's brokers and Lease Contracting Officers use a standard lease form, correct? Why is there no standard outlease form?
3. GSA's standard form for Leasing Contract Officers requires that no person holding a federally elected office may directly or indirectly participate or benefit from the lease. However, the form only applies to leases. Why is that provision not included in outleases?

Question for the Record Submitted by Congresswoman Eleanor Holmes Norton

What is the rationale for moving Pretrial Services Agency (PSA), the Court Services and Offender Supervision Agency (CSOSA), and the Public Defender Service (PDS) more than a mile from DC Superior Court and the DC Court of Appeals when the US Attorneys Office was recently moved only four blocks away?

Questions for the Record Submitted by Congressman Steve Cohen

1. Please provide a copy of the Tariff Building/Hotel Monaco outlease and any amendments to the lease.
2. Please provide the text of any confidentiality clauses included in the Tariff Building/Hotel Monaco outlease.
3. How many GSA outleases include a confidentiality clause?
4. What is the reasoning behind including a confidentiality clause for the Tariff Building/Hotel Monaco?
5. When did the GSA contracting officer submit a request to the tenant for its consent to release the unredacted copy of the Tariff Building/Hotel Monaco lease to the Committee?
6. Has the tenant responded to the GSA contracting officer's request? If yes, please provide a copy of the tenant's response.

Team,

Per our November meeting, I'm writing to share the proposed response (click [here](#)) & supplemental information (attached). With your feedback, I'd propose setting up a meeting with the Commissioner when the key parties are available in late June. I'll work to schedule that and a pre-brief, as necessary.

Let me know if you have any questions.

Thanks,
